

Brothers and Sisters,

Due to the National Convention being cancelled here in Jacksonville, I know you are all scrambling to cancel your Reservations. I am in contact with the hotel managers at this time and drafting up formal letters of cancellation.

The hotels will be canceling all of your reservations that were booked under the CVMA rate. Please do not continue to call the hotels and cancel individually. Give us, here in Jacksonville, an opportunity to inform all of the hotels of this please: Hyatt, Lexington and Hampton Inn and Suites.

On another note, if you ordered swag (i.e. T-shirts, coins, patches), these will be mailed out around the normal dates Nationals was supposed to happen in September.

Please bear with us during these unprecedented times. Together we will get through this. Thank you for your patience and understanding.

Respectfully,
